LEGEND

OPENING THE DOOR TO

Brighton

AT BRIGHTON HOMES, WE UNDERSTAND A HOME IS MORE THAN A MIXTURE OF MATERIALS, FURNITURE AND THINGS.

It's the result of sacrificed coffees, long working days and late nights' planning.

We want to help you celebrate how far you've come and capture the little things that create the bigger picture, with sun-fringed spaces and generously-sized rooms that are limited only by your imagination. After all, no house is complete without the ideas and personality of those who will always call it home.

Inside is an assortment of flexible architectural floor plans inspired by hectic mornings getting the kids out the door, afternoon storms, where conversations over the fence turn into drinks and a barbie, and days where everything just falls into place. Whether you're looking for a break from the big-city buzz, to splurge a little or simply create a new beginning, you'll be able to move as easily through our homes as the summer breeze does.

With over 30 years' experience and supported by the NXT Building Group, we are quietly confident we have a home design to enhance the way you live and help you savour time with your favourite people.

It's time to *let life in.*

Youngcare

SUPPORTING YOUNG LIVES WITH YOUNGCARE

Brighton Homes is pleased to partner with Queensland based charity Youngcare. Initially signing on for three years of partnership in May 2019, the team at Brighton have decided to continue their support with this well aligned charity and to date, Brighton Homes has donated over \$300,000 through a variety of fundraising initiatives.

Youngcare creates choice and independence for young people with disabilities by providing fully accessible and age-appropriate living spaces, equipment and home modifications.

As one of Queensland's newest home builders, we are thrilled to partner with such a well aligned charity. Brighton believe the partnership is a perfect fit, with Youngcare's proceeds going towards housing for young people in Australia with high care needs.

Youngcare's partnership with Brighton Homes will help Youngcare raise vital funds and awareness for the young Australians who are currently living in accommodation unsuitable for their age and type of care.

In May 2021, Brighton Home's CEO Brad Collins participated in the Simpson Desert Challenge in support of Youngcare. Over nine days, Brad trekked more than 250km across the Simpson Desert and raised over \$243,500 with \$120,000 of that donated by the NXT Building Group.

Brighton Homes is honoured to work with such an incredible charity and look forward to the ongoing partnership and exciting projects we have lined up with Youngcare.

BRISBANE *Lions*

BRIGHTON WAS OFFICIALLY WELCOMED INTO THE LION'S DEN AT THE START OF 2019. COMMITTING TO A FURTHER 2-YEAR PARTNERSHIP IN 2020, NOT ONLY FOR THE HOME AND AWAY SEASON BUT TO INCLUDE THE PRE-SEASON TRADE & DRAFT AND THE BRISBANE LIONS AFLW TEAM.

Our signage is proudly displayed around the Gabba and advertised on the Club's website and social media channels. Additionally Brighton Homes is the official naming rights partner for the Brisbane Lion's newest training facility in Springfield, Brighton Homes Arena.

Officially opening in November 2022 this state-of-the-art facility is the home of the Brisbane Lions Elite Performance Centre and a social hub for the Springfield community.

Brighton Homes CEO, Brad Collins is thrilled to continue the partnership. "Brighton is very excited to continue to be an official partner of the Brisbane Lions. We feel that our two brands continue to be on the same journey towards growth and success. With a big part of our future development in the western corridor, we believe that our alliance with the Lions enables us to both gain presence and involvement within the greater Springfield community" Brad said. Brighton Homes is honoured to be aligned with such a dedicated and energised team and is excited to continue to encourage and support the young and upcoming footy stars of tomorrow, as well as female players in Queensland.

MARK
MAY 2021

"Myself and my wife are so very happy with Brighton Homes especially the help and assistance we have received from our Building and Design Consultant, I think it should be specialist.

The service, expertise, help and assistance we have received was second to none. I cannot fault the whole process so far from picking a design to arranging our colour scheme.

If you are thinking of building a dream home head to Brighton Homes first and it will be your last as you will find your dream home there.

Very very happy."

LES AND MARY
JANUARY 2021

"We have been in our new house for almost a week now! I want to say from the bottom of my heart how truly happy we are with the house! I cannot thank our Site Manager and his tradesmen enough for the work they have done! We are so in love with the place, I keep saying how amazing everyone has been from our sales representatives to our interior designer! Customer Service has been 10/10 and communication has been 10/10. If I ever build again it will definitely be with Brighton Homes and our Site Manager and his tradesmen! For most of the build we were stuck in NSW and couldn't visit often but our Site Manager made sure I was included with weekly phone calls and weekly photo uploads! Even after we received our keys there were minor issues we noticed and our Site Manager resolved them all that same day we reported it or a day or two later! So our biggest thank you to your whole team!"

ALEX & AGATA
SEPTEMBER 2021

"I can't thank the Brighton Homes team enough for making this journey so smooth and enjoyable... Couldn't have asked for a better builder, truly. A huge thank you to our Building & Design Consultant for starting our dream journey. To our Interior Design Consultants at the "MyChoice Design Studio", thank you for all your knowledge and help (thank you for putting up with my ever changing tile choices). Thank you to our Project Coordinator, for making everything run so smoothly. And all the team behind the scenes that work so hard!... You are all amazing. The last thank you would have to be to Site Manager... Couldn't have done this without you!! Thank you for being so accommodating, and for putting up with all my phone calls and messages asking how the build was going...you truly are the best!!"

SUSANNA @COASTALHAMPTONSTYLE
